CARING FOR OUR MEMBERS

Please advise the Local office (451-1196) of instances of bereavement, illness or birth, so that the Local can recognize them accordingly.

TEACHERS' RETIREMENT AND BANQUET

This year's teachers' retirement Mass and banquet will take place on Friday, May 30, 2008. The theme for this year's event is, *God's Blessing Be Upon You*. To date, the Local has received 42 names of retirees to be honoured. Keep watching the Intercom for more information. Tickets will go on sale to the public on May 1-after the retirees requests have been accommodated.

In order to facilitate organization of this event, the Committee must be informed by April 30 of those retirees who wish to be recognized. This information will be sent to us by Human Resource Services once you indicate your intentions. Those missing this year's deadline will be honoured at the 2009 banquet.

LOCAL REQUIRES 3 MORE REPS FOR GETCA

Our Local is required to provide 8 representatives to assist in organizing the 2009 teachers' convention. To date, the Local has 5 representatives who have agreed to sit on this committee. Dinner is provided for all meetings. Please call the Local office to volunteer for these positions and be part of the planning committee for next year's convention.
